discover a world of joy in foam

From the house of
Supreme[®]
People who know plastics best

Supreme, a recognized leader in the Indian Plastics Industry, uses the latest global technologies and in-house research in the manufacturing of its products. As a result, Supreme has gained appreciation for its products and has satisfied customers, not only in India, but across the world. Supreme products are well known for their excellent quality, desirability and durability.

Supreme introduces Funjoy, a colourful and joyous range of products. The collection spans from kid's products, stationery, sports & fitness, etc. All the products are produced using superior quality materials, ensuring they are non-toxic, skin friendly and child safe.
